Summary of Recommendations:

- The Council should set a General Reserve Policy, setting a general reserve of between three and twelve months revenue expenditure depending on the size of the Council. Guidance is available at item 5.32 of the Practitioners Guide 2020.

Observations:

The ground rent of £5 for 2020/21 was not received and has been brought to the attention of the locum clerk.

The Council did not meet until July 2020 and kept a record of decisions made by email which is not considered a properly constituted meeting. These decisions should have been ratified at the next formal meeting of the Council, which could be in person or virtually as government guidance permitted. The decisions of the February 2021 meeting will need to be ratified at the next properly constituted meeting.

The Council last met on 9th December 2020 and must meet once every six months to ensure that councillors are not disqualified from office, therefore must meet again by 9th June 2021. The Council is required to hold four meetings per year as a minimum, and the delegated decisions made by email (eg February 2021) are not considered a legally constituted meeting for the purposes of calculating the six month rule or the number of meetings in a calendar year.

I would like to thank the Locum Clerk for a well presented set of accounts and audit documents.
